

PARKING FOR NEWARK TOWN HALL

Note: The charge for parking from 6pm to midnight is £1.

1. London Road, NG24 1TN, 5 minutes' walk to the Town Hall. See map below.

Pay by Cash, Card or PayByPhone.co.uk – location reference 803613

Ball attendees prefer this car park as the walk is more public and better lit at night.

The Odeon cinema would be a suitable destination for your satnav, as the cinema is right in the car park. It is best to park as near as possible to the Balderton Gate (eastern) end of the car park, as you will proceed up Balderton Gate to reach the Town Hall.

2. St. Mark's Place (NCP - multistorey), Lombard St., NG24 1XT, 4 minutes' walk to the Town Hall.

This car park is in St. Mark's Place shopping centre. The (yellow) entrance gate is closed until one gets close, then it opens slowly. It is quite off-putting if you think it's going to open as you turn into the entrance. This is the largest car park but it only takes cards.
